

# Praise the Lord SPECIAL MOMENTS

TBN's Dallas, TX studio was the site for a great "Cowboy" themed *Praise the Lord* program with host **Dwight Thompson** and his guests (left to right): **David Hinton**, music minister and founder of Outreach for America; **Scott Mendes**, world champion bull rider and founder/president of Western Harvest Ministries; and **Lawrence Bishop, II**, accomplished gospel music artist and professional rodeo cowboy.

Host **Phil Munsey** spoke with **Tracey Armstrong**, pastor of Citadel Church in Seattle, WA. A former atheist, Tracey accepted Jesus and was delivered from a life of drug dealing, abuse and crime. He and his wife now go around the world speaking God's love and deliverance into thousands of lives.

**Debra Paget** starred in her first Hollywood film at the age of 14. Her acting career spanned 20 years and included roles in 36 movies and numerous TV appearances. Today, Debra is a beautiful witness for Jesus, joyfully sharing her faith and insights into God's word.

**Frank Santora**, lead pastor of Faith Church in Milford, CT was host **Clifton Davis'** special guest from TBN's studio in Manhattan, NY.

Recording artist **Jerome Broomfield** has traveled worldwide and performed in an array of major TV variety programs, but through all his success he has always kept true to his faith in God and has dedicated his life to serving the Lord through his musical talent.

It's always a joy to have long time TBN family favorite **Vern Jackson** minister in music on *Praise*.

Named by Reader's Digest magazine as "America's Best Preacher," for 25 years **Max Lucado** has been blessing millions worldwide through his inspirational books and writings. You can enjoy Max's new program on TBN and iTBN, "Max Lucado 365," a one minute daily devotional.

**Matt and Laurie** were on hand to speak with **Steven Furtick**, pastor of Elevation Church in Charlotte, NC, at the Code Orange Revival—a 12-day event that saw hundreds of people accept Jesus as Savior.

## LET'S FACE IT!

**"CALL UNTO ME, AND I WILL ANSWER THEE, AND SHOW THEE GREAT AND MIGHTY THINGS, WHICH THOU KNOWEST NOT." JEREMIAH 33:3 KJV**

**L**et's face it — I don't know the difference between Twitter and Facebook, and I'm not entirely sure how the internet works. But, I do know that through new technology, millions in formerly "closed off" areas of the world are now receiving the Gospel message through TBN.

Technology marches on with an ever quickening pace, from generation to generation, forever changing the world around us. It's amazing to think that in the 20th century we went from "horse and buggy" to a man on the moon in less than 70 years! My own father never saw a television in his entire life, and yet a generation later TBN was birthed and now covers the world with 14 networks in multiple languages. We can refer to our vision as the Trinity Broadcasting Family of Networks. And...there's so much more to come!

**"And it shall come to pass afterward that I will pour out My Spirit**

**on all flesh; Your sons and your daughters shall prophecy, Your old men shall dream dreams, Your young men shall see visions." Joel 2:28 NKJV**

In my younger days, when TBN was in its infancy, I was given many words of prophecy as well as visions from the Lord. I'll never forget the awesome vision in 1975 when God revealed to me the incredible power of satellite to reach the world. Let's face it: that vision opened up an amazing new door and changed everything forever!

But now I'm older (just turning 78) and I'm dreaming dreams! Dreams of the Gospel going to the ends of the earth and ushering in the glorious return of Jesus. Dreams of TBN reaching into every nook and cranny, every home, hut, and tent in the world! How? Through my children's generation

empowered by their own prophecies and visions and helped by the Lord Himself who says:

“I wisdom dwell with prudence, and find out knowledge of witty inventions.” Proverbs 8:12 KJV

Yes, through the years God has given incredible ideas to His people on earth. This continues in our day and age, and WOW — what witty inventions they are! Utilizing the power and the flexibility of the internet — the 14 networks of TBN can right now be watched virtually everywhere in the world on home computers, laptops and through special applications (apps for short) on iPhones and Android devices. Millions of people are now using TBN’s groundbreaking “video on demand” service — iTBN — which allows viewers to watch “what they want to watch, when they want to watch it”! New iTBN apps are coming soon for iPhone, iPad,

Android, Yahoo TV, and Roku TV!! Yes, TBN is everywhere...all our networks, all our programs, all over the world! Witty inventions indeed!

But let’s face it — there are challenges. The enemy will continue to try to use new technology for evil purposes and there will be calls for the Church to remove itself from new things to a place of safety and isolation. However, we will not make the same mistake made in the

early days of movies, radio and TV when many said, “That’s the devil’s technology” and separated themselves, thus giving witty inventions over to the world. WE WILL USE EVERY TECHNOLOGY TO SPREAD THE GOSPEL! As the apostle Paul said:

“I have become all things to all men,

that I might by all means save some.”

1 Corinthians 9:22 NKJV

Now let’s face it: new technology is and will continue to be very expensive. But how much is a soul worth? This mighty network was built by people stepping out in faith and now TBN, as it approaches its 39<sup>th</sup> birthday, is proclaiming the Gospel around the world in many languages, through 14 networks on more than 70 satellites, feeding TV stations, cable systems and home satellite receivers, as well as reaching the internet through streaming and video on demand. Jan and I know that you, our partners, will continue your incredible support that has kept Jan and me going through the years. Why? Because there are billions of souls yet to be saved and that —

“Whoever calls upon the name of the Lord will be saved.” Joel 2:32 NKJV

We’ve got work to do and we’ve got the technology to do it with...LET’S FACE IT!

*Paul*

# April Love Gift

## MESSIANIC SYMBOL NECKLACE

This month’s love gift is a beautiful silver-plated reproduction of an ancient Messianic insignia used by the early Christian church in Jerusalem.

The sign of the fish—one of the first Christian symbols—was derived from the Greek word for fish, ICHTHYS, and was used by first century Christians as an acronym for “Jesus Christ, God’s Son, Savior.” Joined to the Star of David, representing Israel and the Davidic Kingdom from which Jesus descended, and united with a menorah, a sign of God’s covenant with Israel, this Messianic symbol is a beautiful reminder of God’s covenant with His people Israel and those of us who are “grafted in” to His Kingdom through Jesus Christ (Romans 11:17).

Your love gift to TBN for this month of April only will bring you this powerful expression of faith. As always, it comes to you with Jan’s and my love and thanks for your faithful partnership with us as we take the Name of Jesus to the nations! *Paul & Jan*
