

Paul welcomed **Herbert A. Gears** (left), the new mayor of the city of Irving, Texas and **Dr. Lester Taylor** (right), pastor of Community Baptist Church and Chairman of the Black Clergy Council in Englewood, NJ as his special guests on the **Behind the Scenes** program.

It was a very special joy to have **Tammy Faye Messner** on **Praise the Lord**, hosted by **Paul Jr.** Tammy touched all of our hearts with her powerful, personal testimony of God's strength and faithfulness in the midst of life's troubles.

Pastor Aaron Jayne of the Los Angeles Dream Center was recently featured on JCTV's "Top 3" program. After coming to Jesus, Aaron was delivered from a life of drugs and alcohol. He was disciplined under Pastor Tommy Barnett of First Assembly of God in Phoenix, AZ. Aaron then went on to help co-found the Dream Center church with Pastor Matthew Barnett, where he now serves as associate pastor.

In January 2004, while trail biking in a local Orange County, CA wilderness park, **Anne Hjello** made national news when she was brutally attacked—and almost killed—by a mountain lion. Anne recounted her story on **Praise** with host, **Pastor Phil Munsey** and talked about how God protected her during the attack and how His grace and strength have sustained her as she has recovered.

Lindy Boone Michaelis, daughter of Pat Boone and founder of Ryan's Reach, shared with **Praise** host, **Dwight Thompson**, about her son Ryan's miraculous, ongoing recovery from brain damage injury after accidentally falling 40 feet through a rooftop skylight. Lindy and her family are working to help other brain injury victims through the Ryan's Reach Foundation.

Steve Borden, best known to his fans as "Sting," was a super star in the world of professional wrestling. Steve found that fame and fortune did not bring happiness, and in 1998 accepted Jesus as Lord. Steve shared his compelling story with **Paul Jr.** during a recent **Praise** program.

Omar Gooding, brother of actor Cuba Gooding, Jr., was a recent guest on **Praise**. An accomplished actor in his own right, with an impressive body of work in television and film, Omar is a committed Christian and one of Hollywood's fastest rising stars.

From the world of professional wrestling, to a highly successful career in film and television, **Tiny Lister** is a dedicated believer who shares about Jesus in schools, churches and detention centers. **Paul Jr.** spoke to Tiny recently on **Praise the Lord** about his role as "Hagai" in the upcoming movie, "One Night with the King," to be released in theaters this year!

A former pro football player with the Oakland Raiders, **Napoleon Kaufman** is now the senior pastor of The Well Christian Community Church in Dublin, CA. Under his leadership, The Well is sending out teams of ministers who operate in the apostolic, prophetic and healing areas of ministry. They are reaching and touching lives worldwide.

A former basketball player with the Los Angeles Lakers, **A.C. Green**, spoke with **Paul Jr.** recently on **Praise**. A Christian since the age of 17, A.C. is now using his success as an athlete to help develop character in young people through his ministry outreach, the A.C. Green Foundation.

Known as the "First Lady of Gospel," for over 40 years, **Shirley Caesar** has ministered to audiences around the country. Besides being a multi-award winning Christian recording artist, Shirley is also the senior pastor of Mt. Calvary Word of Faith Church in Raleigh, NC. It was an honor to have her minister on **Praise**.

Paul Jr. interviewed guest, **Kirk Cameron** from TBN's new Hollywood, CA **Praise the Lord** set. Kirk is best remembered for his role as "Mike Seaver" in the hit television series "Growing Pains." Kirk has gone on to star in several of the "Left Behind" movies and is the co-host of "Way of the Master" aired on TBN.

JANUARY 2006 · VOLUME XXXIII · NUMBER 1

2005 — A great VICTORY FILLED year for YOUR TBN!

2005 — TWO MILLION SOULS!

"FOR THE SON OF MAN SHALL COME IN THE GLORY OF HIS FATHER WITH HIS ANGELS; AND THEN HE SHALL REWARD EVERY MAN ACCORDING TO HIS WORKS." MATT. 16:27

How and where do I begin? *2005 has been, without doubt, the greatest year of spiritual harvest in our 32 year history!* Now, before you lay this newsletter aside thinking it's just a lot of dry statistics, you had better think twice. If you are not ablaze with "joy unspeakable and full of glory" (1 Peter 1:8), as our dear E.V. Hill used to say, "YOUR WOOD IS WET"! And as we recover from the great harvest of souls, reread the last sentence of our theme Scripture above —

"HE [JESUS] SHALL REWARD EVERY MAN ACCORDING TO HIS WORKS!"

Dear Father, I love Mike Purkey's new recording of "WHAT WILL IT BE LIKE TO BE THERE"! Yes —

"EYE HATH NOT SEEN, NOR EAR HEARD...

THE THINGS WHICH GOD HATH PREPARED FOR THEM THAT LOVE HIM" (1 Cor. 2:9)! HALLELUJAH!

Besides many new programs, we are overwhelmed by the Nielson ratings of all of our programs. Let me explain: A "number 1" means one million homes are tuned in; a .9 means 900 thousand homes are tuned in and so on. Larry King got a 1, but *Joel Osteen's* grand opening got a .9! Fox News got a .9; TBN's "Greatest Story Ever Told" got a .8! We beat the pants off of CNN with a .5, also MSNBC .4, Headline CNN .3, CNBC .2 and .1. Yes, dear Jan and her staff are beating nearly every other cable network which is causing the whole TV industry to sit up and take notice! As of this writing, TBN is seen in almost

96 million households in the U.S. through cable, over the air stations and DBS subscribers! Praise the Lord! If we add all of the foreign stations, overseas direct-to-home satellite subscribers and cable station affiliates, the number of viewers is in the multiplied hundreds of millions worldwide — and growing fast! Glory be to God!

Jan's assistant, Isaac Hernandez, filed a report that I must give you in part. Isaac thrilled us with the following:

"This year has been a very exciting one with many new movies, documentaries, and weekly series. Some of the major ones have been 'The Gospel of John' a three hour feature film that used the Gospel account of John as its only script!

Paul at last year's Benny Hinn service in Lagos, Nigeria. At least 2 MILLION souls worldwide—that we know of—received Jesus through TBN's ministry in 2005!

We also acquired 'Mother Theresa,' a heartrending movie about the life and ministry of this great saint. We also got the 'Karla Faye Tucker' story, 'King of Kings,' 'The Gospel According to Matthew,' 'The Robe,' 'David and Bathsheba,' 'Solomon and Sheba,' 'The Bible,' 'Mary and Joseph: A Test of Faith,' 'The Inn of the Sixth Happiness,' and many smaller, but still very compelling movies!"

No wonder our Nielson ratings are skyrocketing! And let me add here that *only with you, our faithful supporters*, were we able to acquire so many new movies, but there is more — Isaac continues:

"Another area where we have acquired many great new programs is in the area

continued from cover...

of compelling documentaries. These have shown up with amazing ratings. Three of the most popular have been, 'George Bush: Faith in the White House,' 'The Da Vinci Code Deception,' and 'The Privileged Planet.'"

WOW! When I saw "The Privileged Planet," I was shouting "HALLELUJAH!" It absolutely knocks the slats out of the theory of evolution! There are so many more great new programs, like: *Travel the Road* and one of my favorites, *Travel Through History*. By the way, I hope you get this letter in time to see the New Year's Day premiere of "Beyond the Gates of Splendor," an award winning feature length film about the five American missionaries that were martyred in the Amazon jungle by the Waorani natives. I could go on and on with many new features, but time and space do not permit. **Just stay tuned to your TBN for the very best Christian television!**

I could write another whole newsletter from our engineering department. Ben Miller, our Vice President of Engineering, has worked overtime building (ultimately) 31 brand new digital TV transmitters as mandated by the FCC. Even now, in many of our full power station cities, you can get all FOUR of our networks free through the air, and soon Jan's *Smile of a Child* network will be on the air — she is so excited, she will give Ben and the staff no rest!

All I have time for is to tell you that we still have 156 TV stations under development — from Alamogordo, New Mexico to Hilo, Hawaii! Pray for our engineering staff as we only have till July to finish building all of the new digital stations — by the way, at about 1 MILLION DOLLARS each!

But there is one new full power station that in a way is a personal victory to me.

Fourteen years ago, we bid for and won a full power station in Philadelphia, Pennsylvania, the fourth largest TV city in the U.S.A. Through an agonizing series of lies and attacks of enemies we lost it, and I was accused of violating the station ownership rules of the FCC. Eight agonizing years would pass, including an FCC hearing in front of an FCC law judge, before the end of this drama. At the FCC hearing, the judge ruled against TBN and me, and revoked our Miami TV license. It looked for a time that all our TBN stations would be lost. *Only God knows the agony that gripped my soul!* The only option we had was to sue the FCC in federal court. Another agonizing year would pass, but glory be to God, on May 5, 2000, the three member panel of federal judges voted 3 to 0 to overturn the FCC, release all our licenses and vacate the entire eight year nightmare! All praise to God Almighty!

The AWESOME news is that on October 1, 2004, we closed escrow on full power station WGTW-TV Channel 48, Burlington, New Jersey/Philadelphia, Pennsylvania, covering about 10 MILLION new souls with YOUR TBN 24/7! This was the sweetest revenge ever on the evil one for TBN and PFC personally! Praise God again! Renovations began last year on the building we purchased that will house the new studios.

Again, time and space will not permit the full report

Last January, Jan along with Don and Sondra Tipton of Friend Ships Unlimited, sent a cargo ship filled with TONS of donated food, medicines, clothes, Bibles, fire trucks, ambulances and ice making machines—plus volunteers—to help bring much needed humanitarian aid to Haiti. Jan had the joy of presenting this gift of love to Prime Minister Gerard Latortue.

Paul visited Bangalore, India in 2005 and met with Dr. Manakem Prakash, TBN's coordinator in India at a "satellite dish farm." TBN is presently covering nearly half of India through cable and satellite television.

Last May, Paul had the honor of meeting Israeli Prime Minister Ariel Sharon in Jerusalem. In a television interview with Paul, Mr. Sharon extended a warm invitation for Christians to come and visit Israel.

on the miracles of 2005, but I would be remiss not to brag on our young people who have expanded the JCTV (Jesus Christ Television) network. Instead of MTV, with some of the most vile music and lyrics, *we are instead giving our youth JCTV!* Praise the Lord! In their report, they say: "Thanks to TBN partners, JCTV has had the resources to continue to grow and impact today's youth with the love of Christ." To find out where JCTV is available, visit www.jctv.org and click on "Stations Update." Be sure to help get JCTV on in your city. Just call 1-866-WANT-JCTV, which will automatically connect you to your cable system where you can request JCTV! Before closing, I have to give you one short testimony —

"JCTV has shown me other young people out there like me! Thank you Paul and Jan for that wonderful vision that has brought many to life! Without that dream, Paul, a lot of us young people would be confused and lost. Signed, Monica"

WOW, Monica — YOU MADE MY DAY! PRAISE THE LORD!

So, as I said at first, what should set your soul ablaze with praise to our wonderful Lord? How about over 12,000 television stations and cable systems worldwide that have brought at least TWO MILLION SOULS to Christ in 2005? It is probably many more, as not everyone lets us know of their new faith in Jesus. And as TBN continues to grow, so will the number of souls I report to you each year!

Jan and I love you with all our hearts — the responsibilities and burdens grow heavier day by day. I'll be 72 in March; Jan will be 68, but God gives us the grace to go on — how much longer, only God knows. All we ask is your daily prayers for wisdom and strength, and faithfulness in your financial support. **Remember: God has a reward for all according to our works!**

Happy New Year and 33 years of love to you all!

Paul

"TIME CHANGER" – DVD

What if you could see the future impact of your beliefs? One man will...

The year is 1890 and Bible professor Russell Carlisle (D. David Morin) has written a new manuscript called "The Changing Times." His new book is about to receive a unanimous endorsement from the board members of the Grace Bible Seminary until Dr. Norris Anderson (Gavin MacLeod) raises an issue over a "difficulty" he has with something Carlisle wants published.

Dr. Anderson believes what Carlisle has written could seriously affect the future of coming generations. Using a secret time machine, Anderson sends Carlisle more than 100 years into the future; offering him a glimpse of where his writings will lead — get set for a breathtaking climax!

Rich Christiano wrote and directed this faith inspiring film that also stars Hal Linden, Jennifer O'Neill, comedian Paul Rodriguez, and Richard Riehle. TBN is committed to providing our partners with the best in Christian entertainment and this compelling story will not disappoint. Enjoy it with your whole family or share it with an unsaved loved one.

A DVD copy of this soul winning motion picture will be on its way to you for your love gift this January to help keep Christian television going around the world.
